## 2011 OUTLOOK

This is a year of numerous changes for the Philippine Ultimate Association, our community, a lifestyle. The vision of PUA Board 2011 is to be a professional national disc sport organization that promotes the quality and spirit of the game with the support of its community. In line with this, our vision drives at developing Ultimate both within the community as well as reaching out and nationalizing the sport. To achieve this, our mission is as follows:

1. To promote the Spirit of the Game, on and off the field, by setting guidelines to encourage proper decorum within the community;
2. To educate players on the proper rules of the game, as well as develop techniques to improve the quality of the game;
3. To professionalize the organization and increase its recognition in the Philippines;
4. To promote a unified team play across the nation, bringing together the best in the Philippines and not just in Metro Manila;
5. To be self-sustaining effectively by utilizing the strengths of the community;

These are not easy goals and these will be hard targets to be achieved within 2011 alone. In this regard, we enjoin the community to actively take part in the upcoming projects for the year and to volunteer to become part of the various committees that will help sustain our organization.

The PUA projects for the year are as follows:

- New Year's League
- Summer League
- Malakas at Maganda League
- Inter-school/collegiate Tournament
- Nationals Tournament
- Spirits 2011

For the first time since its launch, Boracay Open will be organized by the Boracay Beach Ultimate Organization. Similarly, we strongly encourage teams and sub-groups to organize your own PUA sanctioned events as a fund raiser or as another excuse to get all the crazy discheads in one place. Details and guidelines for sanctioning events shall be released in due time. In the meantime, you may send in inquiries directly to [puaboard@gmail.com](mailto:puaboard@gmail.com).

For love of the game, let us all come together as a community to keep the disc in the air and our cleats on the fields.

## PLAYERS WANTED ON THE LINE

### VOLUNTEERS

Send in your names and signify your interest in becoming part of PUA Board 2011's Committee of Discheads dedicated to developing our community and assisting in the execution of all PUA related events and activities. We are in need of volunteers for the following committees:

- **Marketing (Mico Marco)**  
Looking for sales and marketing people who are committed to gathering sponsors for leagues and PUA events, as well as following through with post-event press releases.
- **Tournament Logistics (Lok Narciso and Jm Miranda)**  
Looking for eager volunteers dedicated in assisting in field logistics to ensure the smooth execution of PUA events. This shall consist of game marshals, field assistants and registration volunteers for the tournament and the parties.
- **Special Events (Anna Gomez)**  
Looking for innovative people willing to help conceptualise, organise, and execute special events and projects for PUA to assist in achieving the mission and vision set by the board for the community
- **Communications (Rissa Ong)**  
Looking for creative artists willing to contribute their imagination and skills in web and graphic designs for online and print materials
- **Education and Community Development (JC Ty)**  
Looking for disc addicts committed to developing themselves and other players. Must be willing to train as a PUA coach certified to teach beginner

For more details or to signify your interest for any of the above, please drop an e-mail to [puaboard@gmail.com](mailto:puaboard@gmail.com). Feel free to inform us of any other expertise you may have hidden under your compression shirts that you can contribute to our community.
